

Steffie Kids Marathon 2023

The Steffie Woima Elementary School Parent Council is excited to sponsor the **Eleventh** Annual Steffie Kids Marathon for children aged kindergarten through grade 6, their families, friends, and community! Last year due to covid there was a modified event, but previous years were great successes with over 600 people participating in the final kilometer! The goal of the Steffie Kids Marathon is to give participants the opportunity to increase their physical activity while focusing on achieving a goal. We hope to motivate children and their families to commit to a healthy lifestyle and develop a daily fitness for life.

Over the past several years we have managed to keep the costs low, but due to covid our costs have increased. We are hoping to keep the registration costs to \$7.00 again this year for Steffie students and staff, so we are requesting sponsorship from any companies or people willing to sponsor this worthwhile event. Over the past few years, we have made many improvements to our marathon including sponsorship of ALL students who would like to participate but are unable due to finances, improved route, and better sound system to name a few. Without your continued support we would not have the successful event we have.

We are requesting sponsorship forms be completed and returned no later than **May 10, 2023**. If you are able sponsor this event, please fill out the back of this form and return to SWES office attention Jennifer Bahler. Cheques can be made payable to **École Steffie Woima School Council**. If you have any questions, please do not hesitate to contact Jennifer Bahler at 403-505-5889, or jbahler17@gmail.com

Thank you for your support!
