

Inline Skating 2024

In-line skating lessons will be running October 15th - November 1st. All students in kindergarten to grade six will be participating in this activity as part of the regular Phys. Ed. Program. We have once again hired **Alien Inline** to provide the equipment and instruction for our program. Please note - students will have three 50 minute lessons over the course of 2½ weeks. Your child will be provided with all the necessary safety equipment to participate in this physical education program. However, it is strongly recommended that those students who have a helmet bring his/her own.

- **Helmets must be worn** and will be provided for students who do not bring their own.
- Socks must be worn.

The cost is **\$22.00** per student and is due by Friday October 4th. Please pay the fee online using your quick pay account <https://www.studentquickpay.com/chinook/> (the same place that you pay for hot lunches). If you have any questions about this process, please contact the office.

A limited number of student scholarships are available to cover the fee. Should you wish to apply for one, it may be done by emailing steffie.woima@cesd73.ca.
